Meet Queen Anne. She's a beauty from the 1900s and has the most beautiful ornate features throughout. She's in the most ideal central location, sits on a fantastic 715m2 (approx) block with plenty of scope and is seeking some love and fresh touches to show off all her magic.

From the leadlight decorative front door, high ceilings with wooden feature door arches and stunning antique fireplaces, you'll start visualising her true potential the moment you arrive.

The floorplan is idyllic and boasts a large spacious living area with built in shelves and leadlight windows and one of the many fireplaces throughout.
