

58 Garsed Street BENDIGO VIC

Finding a suitable storage warehouse of adequate size in the CBD can be hard to find.

However, this property has recently presented itself.

Located just off the main retail thoroughfare of Mitchell Street in well known Garsed Street, this 263m property includes electric roller door access, toilet facilities and an alarm system to keep your belongings secure.

This property will suit the business operator looking for a centrally located storage facility to possibly increase their stock hold capacity, create some more space at an existing store or showroom or act as a pickup depot for customers to collect their goods after purchase.

This property will not be available for a mechanical workshop business.

Building Size : 263 sqm
