This two bedroom rendered brick unit is set behind a high private fence creating a lovely entertaining area as you first walk in. It offers two good sized bedrooms, one with built in robes. The bathroom offers a shower over the bath and is naturally lit by the large sky light.

The open plan kitchen has gas cook top electric oven and adjoins the living and dining area which has gas heating. At the rear of the property is another lovely outside area which has established gum trees for natural shade in summer. There is a double garage and room in the drive way for more off street parking.
