The kitchen offers gas cooking facilities and timber cupboards, this leads through to the lounge room which offers gas heating. The updated bathroom is spacious and features a bath, shower and vanity the bathroom and laundry are combined.

With an added bonus of ducted heating being installed to keep you cosy all winter long.

Externally you will find off rear street parking with a carport which can also be used as a pergola, small grassed area with a low maintenance low fuss enclosed yard. This beauty wont last long inner city living in a prime location.
