

59 McDowalls Road EAST BENDIGO VIC

3 1 2

Located in the industrial area of East Bendigo is this 6,500 square metre (approx) parcel of land zoned "Industrial 1".

The property consists of a 3 Bedroom weatherboard home that would convert to office space and a 40' X 30' colourbond shed with high clearance and concrete floor.

Possible uses for the property are endless given the zoning but it would ideally suit a business looking to have a depot or someone in the motor trade.

The property could also be subdivided subject to Council approval.
