

14 Mistletoe Street GOLDEN SQUARE VIC

4 2 2

This unique home located in popular Golden Square has much more than meets the eye on first impression. Architecturally designed it would suit a growing family or a couple looking for some space in a cosy, warm environment. As you enter the home you are greeted with an impressive lounge area that boasts an open wood log fire, timber ceilings and bar made of redgum. The kitchen has a nice amount of space and is joined to the second lounge area and a dining area. On the second level bedroom one has ample robe space and a three piece ensuite while bedroom two is joined onto a living room area that could be used as a study, perfect for a teenager needing his own space. The third level boasts bedroom 3 & 4 and they are separated by a study so there really is plenty of room for the entire family.

The home is set on approx 1300 square metres and the back yard enjoys the luxury of a 20ft solar heated pool that
