3 2 2

This beautiful family home is proof that wishes really do come true. It is graceful and refined, with superb liveability, hi-tech features and water-saving innovation.

The home is a five-year-old brick residence on an elevated site in a quiet court. It has a pristine terracotta-tile roof, meticulously pebble-scaped gardens, terracing and water features. There is a double garage with direct-to-home door, caravan-friendly double gates to rear, under-the-house workshop, and two water tanks totalling 7100 litres plus submersible pump.

Once inside, it's nigh on impossible to leave. The decor is delicious cream infused with natural northern light. There are floor-to-ceiling windows with a subtle tint finish, luxurious drapes and deeply contoured carpets. The entrance flaunts a leadlight glass-wing door and the
