What a handy position, yet tucked away from the hustle and bustle.

Fabulous ranch style home, set on the high side of the road.. Features include a very spacious lounge room with air conditioner, adjoining kitchen-meals which is roomy enough to place a TV couch as well, fantastically re-modelled bathroom, 3 bedrooms all with built in robes and the main with an ensuite. Extra bonuses include central gas heating, dishwasher, 2 x air conditioners, double garage and a fully enclosed yard suitable for children or pets. Located a short stroll from Beischer Park soccer fields. What a great home!
