

5 Maple Street GOLDEN SQUARE VIC

3 2 2

Often admired and now available after over 70yrs of family ownership this property is looking for the next family to call it home. Boasting the usual features of the era including , wide hall ways, spacious formal rooms including lounge and dining, leadlight windows and open fire places, but with the added potential of making use of additional space in the roof cavity, and revamping the not so recent extensions which include an ensuite and family room . Set on a corner allotment of approx 900m2 with older shedding and a seperate bungalow, walking distance to everything that Golden Square has to offer, this property offers not only position , but potential.
