

16 Walker Street LONG GULLY VIC

3  1 

Up for genuine sale is this huge development site within close proximity to Bendigo's CBD.

With 2 titles totalling approx 2620m² and 2 street frontages, this property presents endless opportunities for the savvy investor.

The 3 bedroom plus bungalow home could easily be renovated and retained as it sits on the front right hand-side of the block.

With land quickly becoming a scarce commodity in the inner suburbs of Bendigo, this could well be the investment that provides for your future.
