

210 Sullivans Road STRATHFIELDSAYE VIC

4 2 2

Set on an acre in popular Strathfieldsaye sits this fantastic family home. Once you enter the wide entrance you can truly appreciate the scope of this home. With downstairs boasting a separate formal Lounge which then opens onto a separate music room/Library or retreat, added to this are a separate formal dining room and spacious family room which is overlooked by the up to the minute kitchen and informal dining area. Added to this is the large convenient study, power room and laundry. Once you go up the stairs the true size of the home is appreciated with a master suite complete with WIR, and large ensuite complete with bath, 3 further double bedrooms with BIR and a yet another lounge which is a great place for the kids to unwind. Outside there is something for everyone with the double lock up garage, separate 20 x 30 shed with concrete floor and power and the Salt Chlorinated in ground pool, and still enough space to add improvements for further outdoor activities
