Behind the Regal Fence lies a Grand Californian Bungalow that has been restored to its former glory and adapted to include modern design elements.

Originally the centrepiece of a much larger estate, the home's grand features are a tribute to its era.

As you approach the front door across the expansive, fully-fenced and private front yard the first thing you notice is the Stunning Facade.

Step up onto the original and spacious front veranda and past the established vine that has become part of this wonderful home. As you enter the door you are greeted with delight:

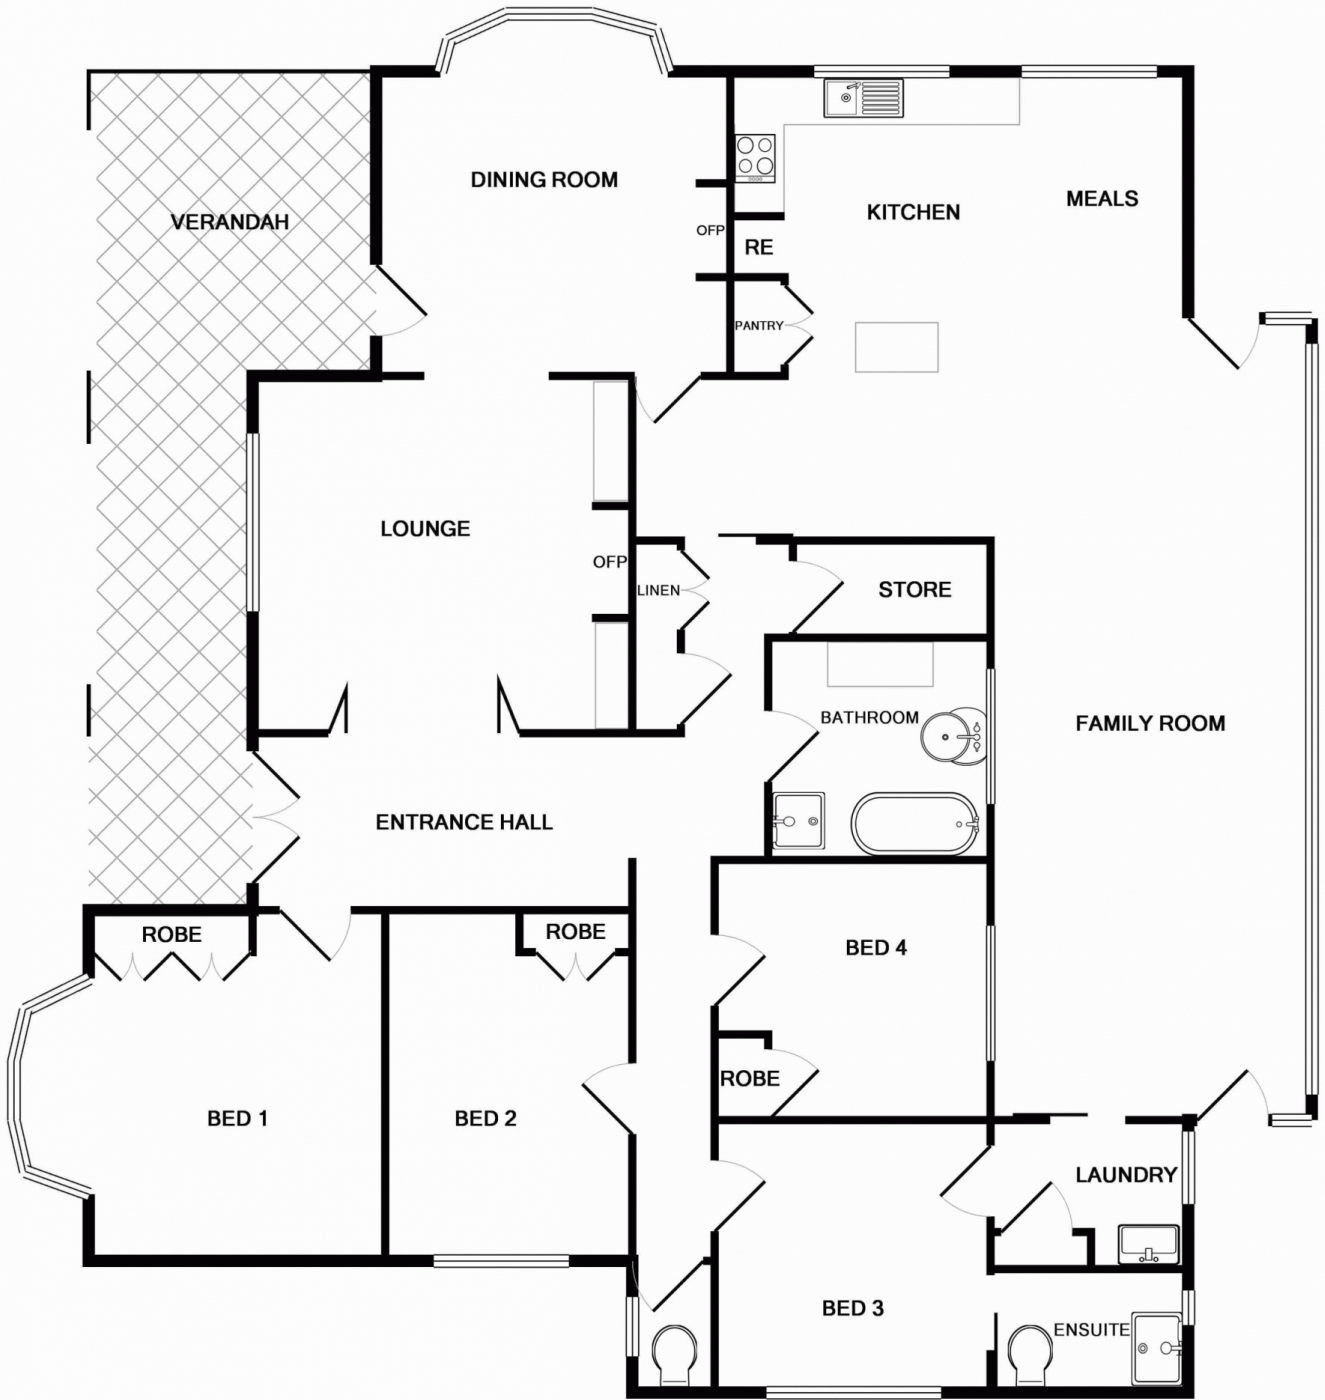

Ornate features, Lead Light Windows, Polished Timber Floorboards, Soaring Ceilings, Elaborate Decorative Cornice and Stunning Ceiling Rose - just a prelude to what awaits.

To your right is the Guest Room and to your left the Formal
