

1161 Eppalock Road STRATHFIELDSAYE VIC

4 2 2

This substantial multi functional family home offers zoned living for the growing family. The home is divided into two wings - one being the Master Bedroom with Ensuite and adjoining Parents Retreat and the other being the 3 bedrooms, family bathroom and children's rumpus room. The hub of the home is the entrance foyer and the open plan well appointed Kitchen and adjoining Dining and Living room.

Outside boasts an inground solar heated swimming pool, double garage/workshop, established treed garden setting and ample water supply from the dam, rainwater tanks and the water allocation.

This property has so much to offer - There's even room for a cleared fenced paddock if you have a horse!
