With construction of the new \$650m Hospital about to commence there is little doubt that interest in residential real estate in the area will skyrocket.

Get in early!

Located in walking distance to the Hospital Site is this 3-bed Brick Veneer Unit which features semi-ensuite, BIR's in all bdrms, open plan design and single lock-up garage.

Attached at the rear of the garage is a garden shed which can be accessed from the rear yard.

A great opportunity for first home buyers, investors or retirees.

Be quick!
