

140 Arnold Street Bendigo VIC

With a front row seat to the momentous hospital project this Arnold Street site opens itself to future construction and development. Sitting over 560m² with a demolition permit approved and in place this ideal position offers it all. What was once a loved family home in this Bendigo location now features pedestrian crossing, public transport near its doorstep and ease of access to the CBD. Here lies an outstanding opportunity for health professionals, consultants and investors wishing to capitalise on the business exposure this locale presents.
