Built on approx. 1 acre of land allowing for possible subdivision potential (STCA), this home offers plenty of space and privacy for all the family. Two generous sized living areas complement this impressive property, as well as relaxed meals area and striking kitchen which has been beautifully appointed with modern appliances and offers plenty of bench space and storage. Currently being used as a study, this space adjoining the lounge could easily be utilised as a formal dining room, kids playroom, hobby room or even an additional bedroom to accommodate a larger family. The bright and cheery master offers walk-in robe and ensuite complete with deluxe spa bath, while two further sun-lit bedrooms comprise built-in robes with ceiling fans, both serviced by a family bathroom and separate toilet. Appealing features include attractive plantation shutters, electric and solar hot water, split system cooling for Summer comfort plus central and solid fuel heating for
