

204 Crook Street Strathdale VIC

5 3 3

Plus-sized home built over two blocks (two titles) will suit a range of buyers - large, blended or extended families, AirBNB entrepreneurs or people who just like lots of space, inside and out.

The home has been updated and extended to include 2 main suites, both with walk-in robes and ensuites plus three more bedrooms in a separate wing with their own bathroom with spa bath and spacious living room.

The versatile design includes a sunken formal lounge with cathedral ceilings and feature gas-log fire adjoining a dining area with servery window to kitchen. A study/sitting room off the kitchen overlooks the extensive landscaped front yard and open space of the Harcourt Dog Park across the road.

Large open-plan sunroom/family area, casual meals and kitchen including island bench, great roll-out pantry cupboard, dishwasher, new gas oven, convection

Price : \$ 590,000
