

48 Caledonia Street North Bendigo VIC

3 2 2

Well presented home offering three bedrooms, the main bedroom has a large built in robe, reverse cycle split system and ceiling fan. Just outside the main bedroom you will find a bathroom with shower, basin and toilet which is disabled friendly. There is a second bathroom located near the second and third bedroom with shower, vanity and toilet. The kitchen/ meal area offers electric oven and loads of cupboard and bench space. The lounge room at the front of the property has reverse cycle heating and cooling while the back living area offers a reverse cycle split system and direct access to the back decked area. Externally there is a single carport with side gate access, great sized yard, storage shed and a lovely front veranda to sit and enjoy a morning cuppa.
