

187 Neale Street Flora Hill VIC

Set in one of Flora Hill's popular wide streets, and walking distance to BSEC and La Trobe University sits this classic 1940's home. Sadly a fire has caused major damage to the property, and the decision will be left with the new owners to either reinstate the property to its former glory or remove the home and rebuild a home or unit development (S.T.C.A). Inspection strictly by appointment, and open for inspections will not be conducted.
