A rare find, this exceptional property is a hidden treasure in a prominent location consisting of a spacious and updated 3 bedroom house, in-ground pool, double carport, large workman's shed and a separately titled paddock at the rear accessible by Hall Street. In all, the property including both titles, measures approximately 3340m² with the house block measuring approximately 870m². Perfectly positioned on the corner of Napier and Hall Streets the property has easy access to the rear paddock which would be ideal for further shedding, storage or further development (STCA).

The house itself is full of character and charm and has been updated in the kitchen area and extended to include a second living space. The main lounge is enormous while the bedrooms provide ample space. Hydronic heating throughout ensures comfortable living during the winter
