Family Living At Its Best

Set behind a beautiful stone and gum garden on a generous 720m² allotment this magnificently modern 4 Bedroom family home is something to be envied.

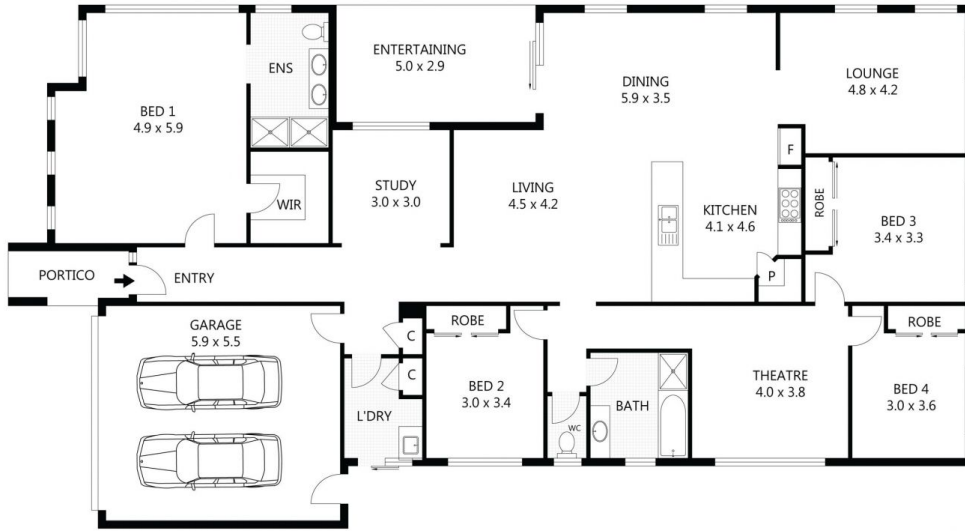

A spacious, tiled foyer encapsulates the feel of this modern family home. The master bedroom is ergonomically delightful; with natural light pouring through the front windows and enough space for a king sized bed and a lounge suite. Off the master bedroom the ensuite features a double vanity, a his and hers shower and a walk in robe.

Bedrooms 2, 3 and 4 are in a wing off the main living area with its own theatre room or rumpus room, a modern 3 piece bathroom and all bedrooms feature mirrored built in robes.
