4 2 2

Life has only just begun for this modern family home. A fresh face on the Epsom scene, it was built 2 years ago with plenty of street appeal while the interior is practical and perfect.

Behind the striking front portico, the barely-run-in home has four bedrooms, all with robes; the large main suite includes walk-through robe to a spacious ensuite with twin vanities, oversized shower and WC.

Big, open-plan living, dining and kitchen areas are flooded with natural light and open to an extensive covered and decked outdoor living area - it's like a private paradise for relaxing or entertaining family and friends

The galley-style kitchen is dressed to impress with Caesarstone waterfall island bench/breakfast bar incorporating sink, dishwasher and soft-close drawers. Cook up a storm on the 900mm dual-fuel, stainless steel range with range hood and walk-in pantry.
