

1 Cousins Street Strathdale VIC

3 1 1

Stepping inside this three bedroom brick home you will walk into a spacious living area with plenty of natural light, ducted heating and large split system for all year round comfort. The large kitchen offers a dishwasher, plenty of cupboard space with electric cooking and a separate dining area. Main bedroom has the walk in robe and ducted heating, with the second room having a built in robe with ducted heating, third room or study has a free standing robe. The bathroom has been freshly renovated and offers a shower and vanity with separate toilet. Outside you will find a single carport and enclosed yard. This property is close to the lake with great walking tracks and views as well as being close to schools, shops and public transport.
