Move-in, recline and relax - there's not a thing to be done here. Original owners have meticulously loved and cared for the property all its life.

The brick veneer construction features a welcoming front verandah at the end of a rock-paved path winding between low maintenance gardens.

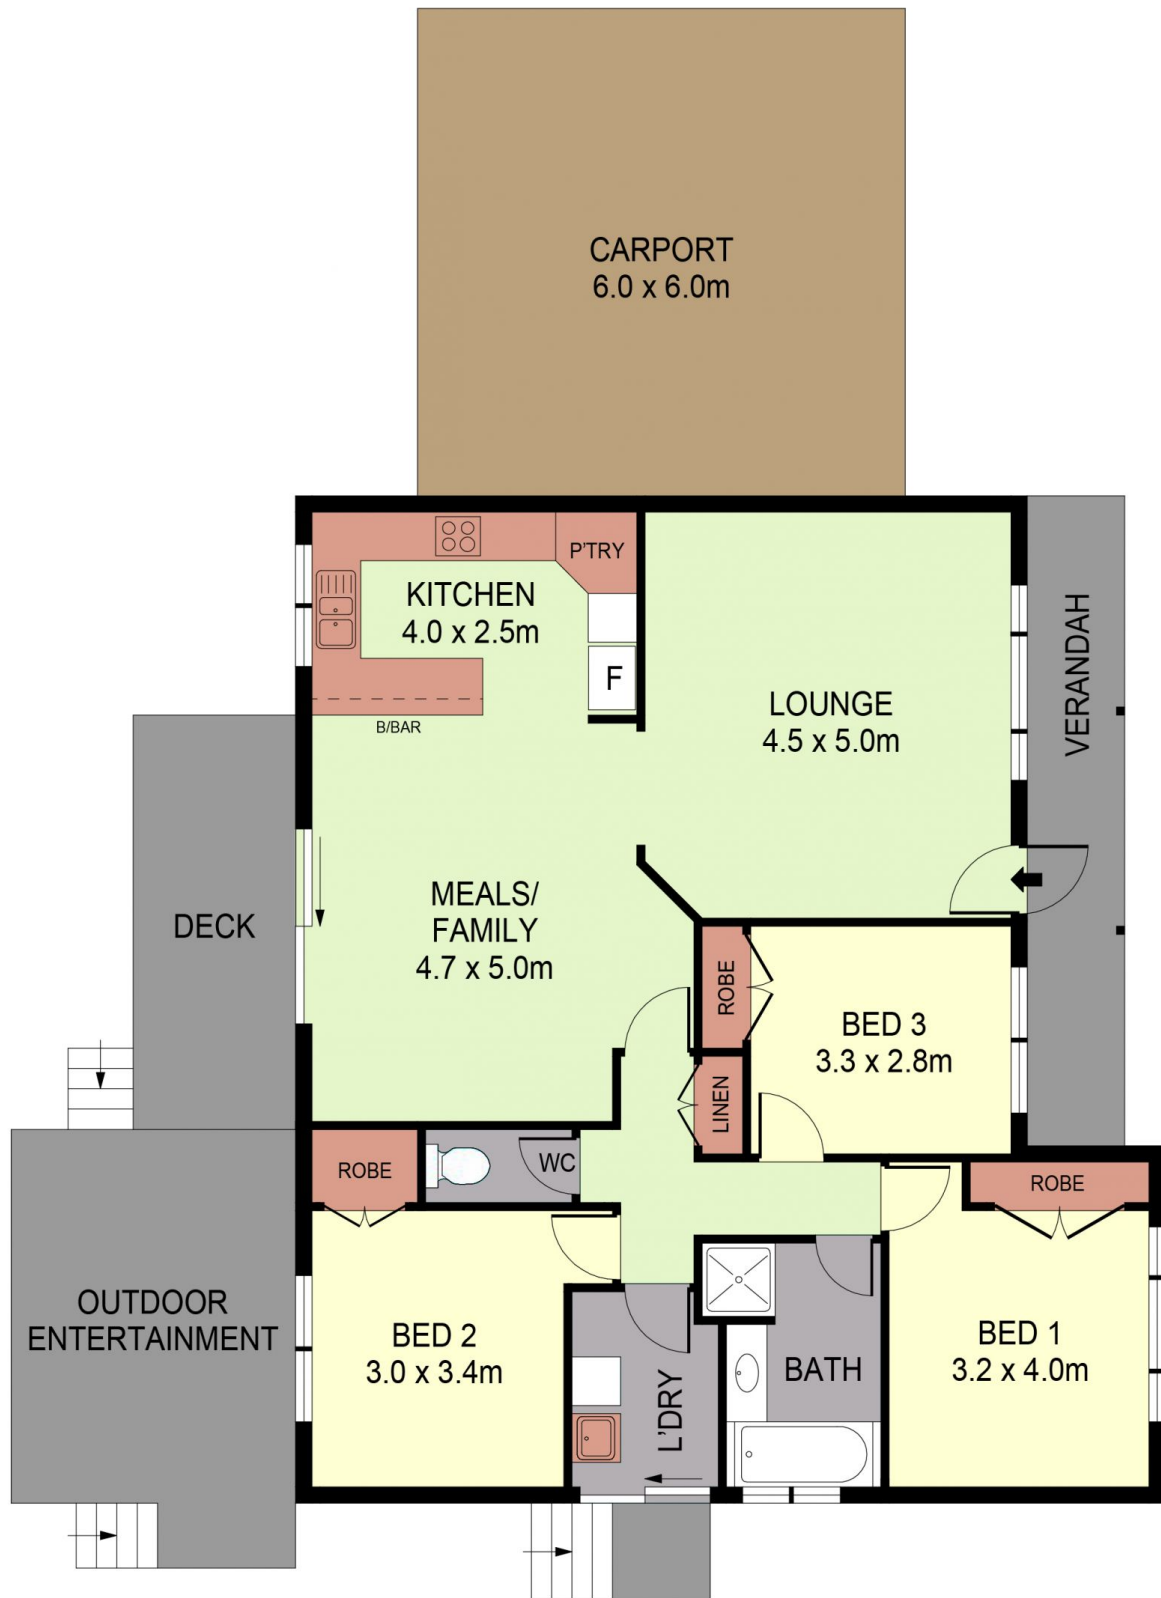

Living quarters include a spacious lounge with ceiling fan plus an air-conditioned kitchen and roomy dining/family area. The kitchen is equipped with a gas cook top, electric under-bench oven and ample storage including a corner pantry. An island bench separating the kitchen from the meals area doubles as a food preparation space and breakfast bar while glass doors slide back to reveal a covered alfresco deck.

The main bedroom overlooking the front garden lies beside the family bathroom with two more bedrooms off the hallway. All bedrooms are fitted with built-ins and ceiling
