This Magnificent Federation style home with art deco inspired styling is arguably the neatest example of its kind in Bendigo. From the front door you are welcomed by majestic coloured led-light features and pristine hardwood timber floors. The large formal living room is accentuated by its beautiful ceiling rose, character filled cornices and a circular led-light feature window. these are just some of the features that are continued on throughout the remainder of the home. The generous master has its own personality and character, a truly beautiful space to unwind. Practical walk in robe will be sure to house even the largest collection of clothes, bags, and shoes. The timeless ensuite consists of timber featured vanity, separate toilet, gold coloured fixtures and a shower. The formal dining is spacious and elegant with a soft colour pallet and ornate timber features creating an impressive space to entertain. The adjoining dining and lounge room make for a
