

19 Bentley Terrace Quarry Hill VIC

4 2 2

This four bedroom home is situated in Quarry Hill. The property features polished concrete floors from the entrance through to the open plan kitchen, meals and living areas; there is a separate formal family area.

The Master bedroom offers a walk through robe into the ensuite; an ensuite with large shower, vanity and toilet. The remaining three bedrooms provide built in robes.

The kitchen has ample cupboard space, dishwasher and breakfast bar. The large dining and living area provides two access points to the alfresco area and the large windows that wrap around this area create a delightful ambiance to this space.

The main bathroom provides shower, bath, vanity and separate toilet & a spacious laundry with built in cupboards.

There is ducted heating and cooling throughout the whole property to ensure comfort all year around.
