Welcome to this, your neighborly brick home on a sizeable block, suitable to accommodate a wide variety of families.

Recently re-carpeted and looking fresh, enjoy the living comfort offered in your spacious lounge room situated at the front of the house. Take advantage of the evaporative cooling throughout the warm summer months; If hibernation's your thing, we've got you covered with a gas ducted heating unit over winter.

A thoughtful kitchen layout has the 4-burner gas cooker and electric oven towards the far side; having ample bench space to prepare meals, a dishwasher helps out in a modern four bedroom home. Cupboards-a-plenty in the kitchen also.

Each of the four bedrooms are carpeted and roomy, lets
