There's strictly more room in this big, bold and beguiling bi-level home found at the end of a quiet cul-de-sac.

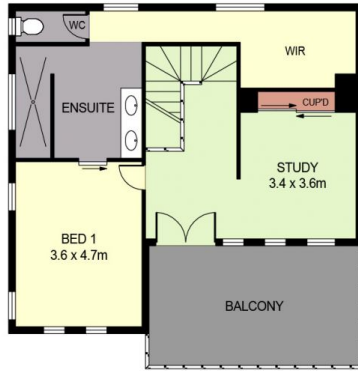

The current owner really knows how to makeover a house with substance and style; the once modest home is now the ultimate indoor/outdoor entertainer spread over 33 squares.

The upper-level master suite incorporates a parent's retreat/study opening to a balcony with city views and an oversized ensuite featuring double vanities, a huge walk-in shower, separate WC and fabulous walk-in-robe.

Downstairs are four more bedrooms, all with robes and one with ensuite, the family bathroom and large, storage-rich
