This low-maintenance first home, investment or retirement property could be the start of a significant relationship. Sited on a compact allotment, the brick veneer home offers three bedrooms (BIR), a convenient two-way bathroom, a separate living room and an open-plan living/dining and kitchen area.

It features split-system heating and cooling, plus central ducted heating, stainless steel cooking appliances, a dishwasher and a convenient breakfast bar. The dining/family area opens to a long verandah for alfresco dining /outdoor living. A tall hedge adds privacy and a wood heater provides warmth in cooler weather.
