3 2 2

Superbly elevated, this impressive residence oozes contemporary style and sophistication from every angle.

Custom built for our vendors by respected local builder Steve Bish, the inspired design is functional, minimalist and timeless.

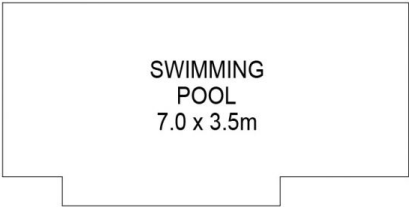

The modern masterpiece begins with a front sitting room beyond the tiled entry foyer with two robed bedrooms and the family bathroom off to the left, creating the ideal wing for younger family members or guests.

The extra spacious main bedroom is a light-filled sanctuary with a luxe ensuite featuring double vanity basins, a walk-in shower, a relaxing spa bath and a separate toilet. The generous walk-in robe fitted out with shelving, drawers and hanging space doubles as a dressing room.
