Big house, generous block and lots of car accommodation - what more could a family want? How about four bedrooms, two bathrooms, two living areas, formal/casual dining areas, a well-appointed kitchen and fabulous outdoor living?

This well-kept family home set on an elevated lot offers all this - and more.

The free-flowing floor plan begins with a wrought-iron trimmed front verandah opening to an open formal dining area before flowing to the sunken formal lounge with a bay window opening to a wrap-around balcony with views over the neighbourhood.

The light-filled kitchen hosts updated cooking appliances, dishwasher, miles of bench space and good storage, including a walk-in pantry and appliance cupboard. The meals area absorbs the winter sunshine and opens to a breakfast deck and a private outdoor living courtyard. A
