

## 16 Bancroft Street Bendigo VIC

4 2 1

Renovated & extended with meticulous attention to detail, this stunning Victorian home (circa 1891) is a faultless blend of period & modern styles.

The original front section showcases heritage elements like cast iron lacework, timber fretwork to the facade, tessellated tiling, etched side lights, corbelled arch gracing the entry hall. Marble and timber open fireplace surround feature in the formal lounge/dining and three bedrooms, while high ceilings with decorative cornices & wide skirtings flow throughout.

The main bedroom includes a wall of custom built-robres and a modern hotel-style ensuite with stone-topped vanity, in situ shower, WC, and full-wall marble-look tiling. The main bathroom follows a similar theme.
