

4/174 Retreat Road Spring Gully VIC

2 1 1

Located near peaceful bushland and walking tracks in popular Spring Gully, and just a stone's throw away from the One Tree Hill Hotel, is this 2-bedroom unit, part of a well-maintained and admirable complex.

The tastefully designed interior features clerestory windows and cathedral ceilings in the living room, allowing natural sunlight to fill and warm the home. Both bedrooms are equipped with built-in robes, while the open-plan kitchen/meals area is spacious enough to accommodate large furniture.

Additional amenities include a single carport with an attached storage room, as well as an amiable yard and colourful gardens both front and rear.
